Dear Mr. Freed,

The Netnews desk in Washington informs me that the interview they aired (and I missed) with Gordon Novel has been forwarded to you. I phoned to see if I could get a transcript of the sound.

If this is possible, I'd like to be able to quote it, should I so desire after hearing it, with credit, of course.

I have not seen the New York "Times", but the Washington papers did not quote this interview.

Thank you very much.

Sincerely,

Harold Weisberg
